

Student Right-To-Know Disclosures

In accordance with the federal *Student Right-to-Know Act*, and to assist you in making an informed decision about your career education, Houston Career Institute has provided the latest Integrated Postsecondary Education Data System (IPEDS) graduation, retention and student body diversity rates for your review. Accreditor placement rates are available in the ACCET Completion and Placement Statistics and ACCSC Graduation and Employment Disclosure, and state placement rates are available in the TWC Completion and Placement Report, all of which can be found online at: <http://www.houstoncareerinstitute.edu/consumer-information/>.

Annual Graduation Rate

The annual graduation rate is calculated based on a cohort of full-time, first-time, certificate-seeking students, enrolled from September 1, 2022, through August 31, 2023, and for whom 150% of the normal time for program completion has elapsed as of August 31, 2025. The initial cohort may be adjusted for students who left school to serve in the armed forces (or have been called up to active duty), on an official church mission, or with a foreign aid service of the federal government, or for students who died or became permanently disabled.

HCI is a new school and did not enroll students during this reporting period. The first HCI students began classes in January 2024.

Annual Retention Rates

Annual retention rates are calculated based on the percentage of first-time certificate-seeking students enrolled from August 1, 2024, through October 31, 2024, who are still enrolled or have completed their program as of August 1, 2025. Rates are reported for both full-time and part-time students.

Federal Pell Grant Recipient Rate
